FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Revenue** assume this proposal would allow owners making a new application and paying a new fee for an amateur radio plate to request a plate with the words "AMATEUR RADIO" in place of the words "SHOW-ME STATE". If the application is made to retain a plate that is three years old or older the replacement will be at no additional charge to the applicant. If the plate is less than three years old the applicant will be charged a plate fee. Since statute already provides for the replacement of plates if a plate is over three years old the Motor Vehicle Bureau assumes this will have minimal impact.

Officials from the **Department of Transportation** assume no fiscal impact to their organization.

| | <u>\$2,002</u> | <u>\$2,003</u> | <u>\$2,004</u> |

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This legislation revises "amateur radio" license plate law. Persons licensed by the Federal Communications Commission (FCC) may purchase special personalized license plates bearing the official amateur radio call letters assigned by the FCC to the applicant, with the words "AMATEUR RADIO" in place of the words "SHOW-ME STATE".

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
